DETAILED ACTION

Response to Amendment

This Office Action is in response to Applicant's amendment filed on July 7, 2005. Claims 27 and 36 have been cancelled. Claims 2, 13, 21 and 30 have been amended. Claims 1-26, 28-35, 37 and 38 are presented for further examination.

Election/Restrictions

1. Restriction to one of the following inventions is required 35 U.S.C. 121.
 - I. Claims 1-11, 21-26, 28-29, 30-35 and 37-38, drawn to a system, method, and an article of manufacture comprising a server comprising a document in a format supported by the server, wherein the document is available to one or more devices via a network; a small device configured to couple to the server,...etc, classified in class 715, subclass 500.
 - II. Claims 12-20 drawn to a server comprising a processor; a memory operable to store program instructions wherein the program instructions are executable by the processor generate a small device document in a format supported by one or more small devices from an original document...etc, classified in class 709, subclass 203.
2. The inventions are distinct, each from one another because the following reasons: Inventions I and II are related as subcombinations disclosed as usable together in single combination. The subcombinations are distinct from each if they shown to be separately usable. In the instant case, invention I has a separate utility such as drawn to a system, method, and an article of
